

Call for Papers:

**Panel for the 47<sup>th</sup> UACES Annual Conference**

Topic: **European Space Policy**

Date: **4-6 September, 2017**

Convenor: **EU\*Asia Institute, ESSCA School of Management**

Venue: **Institute for European Studies  
Jagiellonian University Krakow  
Poland**

see: <http://uaces.org/events/conferences/krakow/>

This panel will focus on European space politics. It will analyse EU space governance and the attempt to establish a common space policy in the EU. This raises questions of sovereignty which also touch on questions of the relations between the ESA and the EU. Question of dual-use technologies in European space programmes, such as Galileo, may also be a suitable topic for this panel. The politics of further European integration through space policies remain the main concern of this panel.

The call is open to scholars at all levels, including postgraduate students, and submissions from practitioners in the field are particularly welcome.

Please send an abstract of 150-200 words to Prof Thomas Hoerber (Thomas.Hoerber@essca.fr)

**Deadline: Friday, 16 December, 2016 for the UACES deadline in January 2017**

You will be notified before Christmas whether your application was successful. A final confirmation whether the panel was accepted by UACES will be communicated to successful candidates directly by UACES in March 2017.

There is a registration fee for the conference and successful candidates will have to register on the UACES website for the conference – see web address above.
